

Uttoxeter Learning Trust Priorities 2020 – 2022

Implement a recovery strategy in response to COVID-19 that narrows learning gaps and supports the Trust to develop assessment practices and invest in remote learning

Develop an excellent curriculum offer informed by LEP priorities with high quality teaching and learning that leads to excellent attainment, progress, and competitive destinations

Monitor, review and implement risk assessments that keep children and staff safe. Develop an ethos where staff and pupil mental health and wellbeing is paramount and the approach to safeguarding, prevent and personal development is of the highest quality.

Support staff development, leadership, and succession planning through high quality CPD and development of the school improvement arm of the Trust

Develop back office services and the ULT central team to provide an excellent level of service, ensure value for money and support expansion of the Trust

Embed financial stability, growth and sustainability in individual schools and the Trust as a whole
